Mr. Frank W.B. Axtens  
Program Director  
Radio Station WXPW  
University of Pennsylvania  
Philadelphia, Pa.

Dear Frank:

Thanks for sending your recommendation on to me. I have forwarded them to NBC, with the request that, should they care to contact any of the men, they write to them care of the radio stations at their respective colleges and universities.

I also repeated my plea for more information about the program, which as yet is still a distasteful mystery to me. I will send you any word I hear from NBC as soon as possible.

I am not exactly sure when I get finished with the final exams, but there is a very good possibility that I will be around New Haven much of the month of June. In any event, I will give you a call around the tenth, or if I leave before that, will leave a message for you at your home. I'll look forward to meeting you.

Cordially yours,

THE YALE BROADCASTING COMPANY
